

AIR CAPITAL WICHITA CHAPTER *of Jack and Jill of America, Inc.*

Jack and Jill is a mothers organization dedicated to developing and supporting leadership in our children through community service, leadership development, cultural, health, social and educational enrichment. We support community events such as this in our efforts to meet our goal: achieving excellence, inspiring greatness, motivating youth to lead and serve (AIM).

Air Capital Wichita Chapter has been very successful in the Wichita community and have an exciting Fun Night event partnering with the Wichita Parks & Recreation coming in October at the Atwater and Lynette Woodard Centers. The event is free to the public with food, games and fun.

For questions or information about future events, email us at:
